

Dear Residents and Friends of Jackson,

Plans are underway for the Grand Opening of the Jackson Civic Center. Today, we are asking you to help make a very positive change in our hometown. Working together, we can make Jackson even better. Like you, we want to keep Jackson the kind of place our children will want to come home to.

Building on the strong support from the Southeast Missouri Medical Center, Inc.(SMMC) group our donation committee is expanding connections to individual donors and local businesses. The donations raised will help provide equipment and other needs of the Center. Please see the enclosed list of needs.

We have several levels of sponsorship available. You will be recognized as a founding donor on the permanent donor wall within the Center to be seen for generations to come.

Please say, "Yes!" to the future of our hometown by sending in your donation today! Every donation, big or small, will be greatly appreciated. Please send donations to Kathy Johnson, 420 West Independence Street, Jackson, Missouri, 63755 or call and someone will pick up your donation.

It is generous people like you who ensure a brighter future for our youth and community. I will be happy to answer any questions you might have about the Jackson Civic Center. Thank you for considering a gift to your community.

Sincerely,

Fundraising Committee
