

City of Jackson

Lights of the Season

Display Registration Form

Date: Saturday, November 26, 2022 - Sunday, January 1, 2023

Location: Parkview Street in the Jackson, Missouri City Park

Space Size: 22' wide

Display Guidelines: No advertisements. Displays must pertain to the holiday season with only the displayer's name at the bottom. Displays must be able to weather rain and wind. City will provide the electrical hookup; displayer needs to provide extension cords. Displays will be located on Parkview Street and numbered with wooden stakes. The wooden space stakes will be placed by November 11. Displayer is responsible for placing the display in its assigned space before November 26, 2022, and taking the display down no later than January 14, 2023. Lights will be turned on nightly starting November 26, and will continue to be turned on nightly through New Year's Eve. Vandalism is a risk. The Jackson Police Department will patrol the area during display season. **The City of Jackson is not responsible for any damage that may occur to displays.**

Displayers will be notified of their space location on Monday, November 14. Space information will also be available by contacting the Parks and Recreation office at (573) 204-8848.
