

CURRENT CONTRACTOR LICENSES

Date: 12/21/2009

A general contractor's license allows the holder to participate in all construction activities within Jackson city limits. However, a general contractor may or may not specialize in a specific area of construction. Any specialty is usually reflected in the contractor's business name.

If you have any questions, please contact Public Works, 243-2300, City Hall, 2nd Floor, 101 Court Street.
